Dear Mr. Scott

This is the final response to your Freedom of Information Act (FOIA) requests dated 12 October 2020, FOIA Case Number 2021-00100-F and FOIA Case Number 2021-03174-F dated 9 June 2021. The original requests are attached for your reference. The United States Air Force Academy received request 2021-00100 on 13 October 2020 and case 2021-03174-F on 9 June 2021.

The information was reviewed under the Freedom of Information Act, United States Code, Title 5 as supplemented by DoDR 5400.7, DoD Freedom of Information Act Program to include a foreseeable harm analysis. We reviewed approximately 167 pages of records responsive to this request and have partially withheld information from release as it contains personal information in other files that, if disclosed, would result in a clearly unwarranted invasion of personal privacy. The authority for these exemptions is United States Code, Title 5, Section 552 (b)(6) of the Freedom of Information Act.

The Freedom of Information Act (FOIA) provides for the collection of fees based on the costs of processing a FOIA request and your fee category. We have placed your request in the "Other" fee category; however, in this case, no fees were assessed.

Sincerely

A handwritten signature in black ink that reads "Ben Jonsson". The signature is written in a cursive style with a large initial "B".

BENJAMIN R. JONSSON, Colonel, USAF
Vice Superintendent
