Radicalism in the Services, Inc.**

**We are US military veterans and citizens concerned about the divisive racist and radical CRT/DEI ideology infiltrating the military and seek to stand up and do something about it in order to keep our country safe.**

## WHAT STARRS IS FOR

- Maximizing military readiness and teambuilding
- Focusing on warfighting with high standards enforced
- Equal opportunity for all—no discrimination
- Meritocracy rewarding performance, character and integrity

## WHAT STARRS IS AGAINST

- Critical Race Theory/DEI in the military which destroys unit cohesion and pits one group against another
- Politically correct woke policies in DoD that lower standards
- “Equity” meaning equal outcomes based on racial or gender quotas
- “Diversity & Inclusion” race and gender selection criteria vs meritocracy

## WHAT STARRS DOES

- We STAND against the CRT/DEI/Woke agenda in the military & service academies
  - We educate on the dangers of this racist and radical ideology in the military
  - We monitor the CRT/DEI/Woke agenda in the DoD through our website & social media
  - We seek the truth of what is happening in the military through FOIAs
  - We hold accountable the Academies and Services when they push this radical agenda
  - We speak Truth to Power . . . Hard Truths
  - We write articles and policy papers alerting people to this harmful agenda
  - We work with Congress and Panels to provide knowledge and ideas to combat the problem
  - We help like-minded organizations and media to get out the truth
  - We provide a network and listening ear to cadets, service members, veterans and families who are sick of this ideology being forced on them and worried about the future of our country.
- If you feel this way too, know that you are not alone!***

## WHAT CAN YOU DO TO HELP?

We need like-minded individuals to represent the STARRS mission throughout all states and welcome any volunteers to serve. Please let us know how you would like to help.

There is a growing awareness that the woke agenda is damaging the military and making our nation more vulnerable. **Now is the time to act.** STARRS is poised to take an even greater stand against the divisive agenda and promote the return to meritocracy.

***Only with your help will this be possible!***
