Stand Together Against Racism and Radicalism in the Services, Inc.

STARRS.US
mission@starrs.us

We are US military veterans and citizens concerned about the divisive racist and radical CRT/DEI ideology infiltrating the military and seek to expose, stand up against, and eliminate it in order to keep our country safe.

WHAT STARRS IS FOR

- Maximizing military readiness and teambuilding
- Focusing on warfighting with high standards enforced
- Equal opportunity for all—no discrimination
- Meritocracy rewarding performance, character and integrity
- Battle-Proven Unity and Assimilation is our Strength

WHAT STARRS IS AGAINST

- Critical Race Theory (CRT)/Diversity, Equity & Inclusion (DEI) in the military which destroys unit cohesion and pits one group against another
- “Diversity & Inclusion” race and gender selection criteria vs meritocracy
- “Equity” meaning equal outcomes based on racial or gender quotas
- Politically correct woke policies in the DoD that lower standards

WHAT STARRS DOES

- We STAND against the CRT/DEI/Woke agenda in the military & service academies
 - We educate on the dangers of this racist and radical ideology in the military
 - We monitor the CRT/DEI/Woke agenda in the DoD through our website & social media
 - We seek the truth of what is happening in the military through FOIAs
 - We hold accountable the Academies and Services when they push this radical agenda
 - We oppose military DEI with lawsuits/admin complaints to obtain DoD compliance with laws
 - We write articles and policy papers alerting people to this harmful agenda
 - We work with Congress and Panels to provide knowledge and ideas to combat the problem
 - We help like-minded organizations and media to get out the truth
 - We provide a network and listening ear to cadets, service members, veterans and families who are sick of this ideology being forced on them and worried about the future of our country.
- If you feel this way too, know that you are not alone!*

WHAT CAN YOU DO TO HELP?

We need like-minded individuals to represent the STARRS mission throughout all states and welcome any volunteers to serve. Please let us know how you would like to help.

There is a growing awareness that the woke agenda is damaging the military and making our nation more vulnerable. **Now is the time to act.** STARRS is poised to take an even greater stand against the divisive agenda and promote the return to meritocracy.
Only with your help will this be possible!
