Do not miss this special opportunity to see an important presentation by leaders of Stand Together Against Racism and Radicalism in the Services, Inc. (STARRS.US). USAF (ret) Colonel Ron Scott and South Carolina State Senator (ret) Mike Rose will discuss the encroachment of radical ideologies in all aspects of our society and what we can do about it. STARRS spearheaded the campaign to remove DEI from our nation's military, which ultimately resulted in President Trump's Executive Orders on this important issue.
